**Corporate Recovery
& Insolvency Services**

25 years of experience

Appavoo Group is a business service provider which operates a fully-fledged Insolvency Practice under Appavoo Corporate Services Ltd (ACS). The Practice employs experts from different faculties and is led by Mr L. Clensy Appavoo, FCCA, MBA, who reckons more than twenty-five years as an Insolvency Practitioner.

Over the last two decades our Insolvency Expert Team has handled numerous high profile insolvency assignments on behalf of Financial Institutions, Regulatory Bodies and Courts of law such as the Supreme Court of Mauritius. We have also handled cross-border insolvency assignments within our International Network jointly with other Insolvency Experts.

Corporate Recovery

ACS provides expert advice in Corporate Recovery irrespective of the critical point which a business has reached in its life cycle. Our services under this head include the following:

Business Diagnosis : identifies the root factors of the business' underperformance

Organisational Audits : questions the business model, its structures and strategies and propose solutions to adapt the business to present context and conditions

Business Process Re-engineering Consultancy : critically evaluates the various business processes and streamline them with cost-cutting as main objective

Design of Re-structuring Plans : with short-term and long-term strategic options. Our experts not only propose solutions but they conduct hand-holding activities on the ground

ACS acts as intermediary in establishing or renewing the trust and confidence relationship which is most needed between the business enterprises and their stakeholders.
